The Programme provides a downloadable template of the partnership agreement. This template provides all minimum compulsory requirements needed, meaning that additional elements may be included in order to tailor the agreement to the needs of the partnership. The partnership agreement shall be signed at the latest within three months after the subsidy contract enters into force.

Office and administrative expenditure shall be reimbursed by the programme according to a flat rate of 15 % of eligible direct staff costs. As office and administrative expenditure is reimbursed according to a flat rate automatically calculated on the basis of direct staff costs and confirmed as eligible by the controller, beneficiaries do not need to document that the expenditure has been incurred and paid nor that the flat rate corresponds to the reality. Accordingly, no documentation on office and administrative expenditure is required to be provided to the controller or kept for further controls. If direct staff costs used as calculation basis for determining office and administrative expenditure are found to be ineligible, the determined amount of office and administrative expenditure must be re-calculated and reduced accordingly.
