

PROVA ORALE

TRACCIA N. 1

1. Il candidato descriva le principali competenze della Provincia in materia di pianificazione territoriale ed urbanistica.
2. Il candidato indichi la normativa di riferimento ed illustri in quali casi risulta necessario richiedere il rilascio dell'autorizzazione paesaggistica.
3. Il candidato illustri la struttura formale di un atto amministrativo.

Europe is ready to make rules to regulate artificial intelligence (A.I.). The rules will specify how to use A.I. for personal identification and A.I. software like ChatGPT. According to the rules, software like ChatGPT, and general A.I. systems, must be transparent before they enter the market. There must be technical documentation that follows EU copyright laws. Governments will have only limited possibility to use real-time personal identification, allowed only in specific crime cases or terrorist attacks.

MARK THE FOLLOWING SENTENCES AS TRUE OR FALSE

1. The E.U. wants to prohibit artificial intelligence in Europe T / F
2. According to the rules, A.I. software sold in the market must be transparent T / F
3. Personal identification will be possible in every situation T / F

PROVA ORALE

TRACCIA N. 2

1. Il candidato descriva le componenti in cui si articola la pianificazione urbanistica comunale, specificandone le principali differenze.
2. Il candidato indichi la normativa di riferimento ed illustri quali siano gli obblighi del cittadino in caso di abuso edilizio realizzato in area soggetta a tutela paesaggistica.
3. Il candidato illustri i contenuti della comunicazione di avvio del procedimento.

Almost 200 countries participated in the COP28 summit about climate change in the United Arab Emirates. At the end of the summit, the countries decided to promote a global transition towards zero emissions by 2050. Many people see the decision as a step towards the end of fossil fuels, but others say that it isn't sufficient to reduce CO2 and help countries that are the most affected by climate change. Cop28 president Sultan Al Jaber was very satisfied with the results of the summit.

MARK THE FOLLOWING SENTENCES AS TRUE OR FALSE

1. The United Arab Emirates boycotted the COP28 about climate change T / F
2. The participants decided to reduce emissions by 50% before 2050 T / F
3. Critics say that these decisions can't solve the problem of climate change T / F

PROVA ORALE

TRACCIA N. 3

1. Il candidato descriva quali sono i piani territoriali previsti dalla normativa della Regione Veneto, specificandone le principali caratteristiche.
2. Il candidato illustri quali sono i beni paesaggistici tutelati dalla parte terza del D.Lgs.42/2004.
3. Il candidato precisi quali sono le forme di responsabilità di un dipendente pubblico.

The Company Royal Caribbean built the world's largest cruise ship called "Icon of the Seas". The ship is fuelled by gas instead of diesel oil. Gas is cleaner than the fuel that ships normally use, but some experts say that its emissions damage nature. Cruises are becoming more popular and, to respond to the numerous requests of tourists, the ship has a capacity for 8,000 passengers, 7 swimming pools, 6 water slides, 21 restaurants, shopping malls, cinemas and 4 stages for theatre and live music.

MARK THE FOLLOWING SENTENCES AS TRUE OR FALSE

1. "Icon of the Seas" is an electric cruise ship T / F
2. The ship can contain more than 5,000 passengers T / F
3. Cruises are not very popular anymore, because they offer fewer services T / F

PROVA ORALE

TRACCIA N. 4

1. Il candidato definisca lo strumento con cui più Comuni possono coordinare la propria pianificazione, descrivendone le modalità di formazione.
2. Il candidato indichi la normativa di riferimento ed illustri il procedimento relativo al rilascio dell'Autorizzazione Paesaggistica Semplificata.
3. Il candidato illustri le fasi previste per la conclusione di un procedimento.

Russian cosmonaut Oleg Kononenko recently set a new record for the longest time spent in space, and he surpassed another Russian, Gennady Padalka. Kononenko made the record on the International Space Station (ISS). He talked about the physical troubles during space travel and the impact that it had on his family life. Thanks to modern technologies, he could communicate with his wife and kids back on Earth, but he missed some important moments with his family during his extended missions.

MARK THE FOLLOWING SENTENCES AS TRUE OR FALSE

1. A Russian cosmonaut made the record of the longest distance travelled by a spaceship T / F
2. The cosmonaut had some problems during the space travel T / F
3. The cosmonaut could not communicate with his family for technical problems. T / F
